Online LC information resource

DC-PRO offers the most comprehensive store of online Letter of Credit information in the world.

Do you have the most up to date Letter of Credit intelligence?

"The best site to keep track of what is happening in the Letter of Credit world. I make very good use of it and encourage others to do the same."
Boris Kozolchyk, President of the National Law Center for Inter American Free Trade, USA

Are you happy wading through volumes of paper-based information?

"The most comprehensive site I have seen, with full search capability - a MUST for LC practitioners in all categories - bankers, importers, exporters, attorneys, forwarders, carriers, et al."
Don Smith, USA

Can DC-PRO help you improve the efficiency of your LC operations?

"I can now find in 20 minutes information that used to take me a morning to find."
Karl Mayrl, Erste Bank, Austria.

<i>ICC Rules</i>	<i>ISBP</i>

<i>Fraud Alert</i>	<i>And more.....</i>

DC-PRO is aimed at senior letter of credit professionals and is ideally suited to the decision makers within LC operations.

DC-PRO is a one-stop-shop for senior trade finance practitioners to satisfy their Letter of Credit information requirements; both policy and operations related. Vitrally, the DC-PRO 'advanced search' makes finding LC information easy, quick and hassle-free.

Decision makers in banks and organisations in over 100 countries are saving time and trimming costs using the DC-PRO LC information service.

Don't let your competitors get the upper hand!
