

# ISP98 Online Training

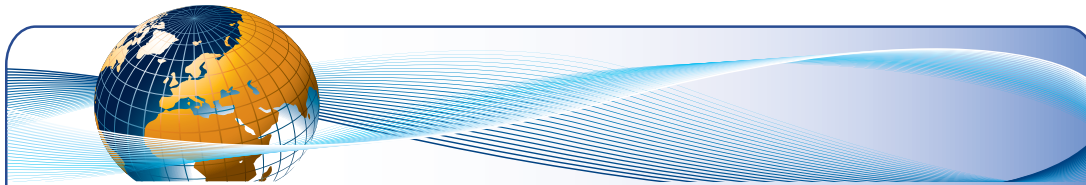

**ISP Master** *The most comprehensive online training available in ISP98 and standby credits/independent undertakings.*

## COURSE OVERVIEW

The course content is written by Professor James Byrne of the Institute of International Banking Law & Practice in conjunction with Gary Collyer, Senior Technical Adviser to the ICC Banking Commission.

The course contains over 12 hours of online instruction and training in ISP98, the rules governing the operation of standby credits/independent undertakings. It is designed to be a fast track to proficiency in this area.

## CONTENT:

### The Essentials

An overview of assurances with a particular emphasis on dependent and independent undertakings followed by an examination of the content and role of the parties to standby credits and independent guarantees.

### The Rules

An article-by-article review of all key aspects of the ISP98 rules complete with a review of the comparable provisions of UCP 600.

### Case Studies

A series of interactive case studies on the application of ISP98.

### Assessment

An advanced assessment covering understanding and application of ISP98.

## TARGET AUDIENCE

This course is suitable for all levels of staff that require structured training in the use and application of ISP98.

## ICC CERTIFICATE

Each trainee receives a personalised ICC certificate detailing their results.

## MANAGEMENT CONSOLE

Allocate access to your staff as and when you wish and keep track of progress and results.

## PRICING

Pricing starts at EUR 300 per trainee.
