

URBPO Online Training

URBPO Online Training

*Comprehensive online training in the URBPO,
the ICC Rules governing Bank Payment Obligations*

COURSE OVERVIEW

URBPO Online Training was developed by Coastline Solutions and is the only Official ICC online course in the new rules. It consists of 4 hours of online instruction and training.

The content for the course was written by **Mr. Gary Collyer**, Senior Technical Advisor to the ICC Banking Commission, and Chair of the URBPO Drafting Group.

CONTENT:

Background to a BPO

This lesson provides an introduction to the URBPO, and presents an overview of a Bank Payment Obligation (BPO) and how it works. This lesson also introduces the parties to a BPO as well as the definitions, message types and terminology defined and used in the URBPO.

Establishing a Baseline

This lesson examines the message flows between the parties involved in establishing a Baseline and also looks at how amendments are made to an Established Baseline.

Data Set Submission

This lesson looks at a Data Set Submission and the corresponding messages that flow between the parties and the Transaction Matching Application.

A BPO in Practice

This lesson looks at where the BPO fits with other trade finance products, the benefits that can be achieved by using a BPO, and the expected capital treatment of BPOs.

Assessment

On completion of the course the trainees undertake an Assessment to test their knowledge in the materials.
