

Collections online training

COLLECTIONS URC 522

Collections Online Training is the only ICC Approved Online Training Course in the URC 522 and Collections Procedures

How do you train your new Trade Finance staff?

Collections Online Training is designed to provide your staff with the basics in trade finance, while also providing an in-depth knowledge of collections processes and the ICC's Uniform Rules for Collections, URC 522.

What are the benefits?

Consistent Standardised Training:

"Comprehensive training in Collection practices and their treatment under URC 522 - a must have within your training collateral"

Gary Collyer, Senior Technical Adviser to ICC Banking Commission

Quality Content:

"Essential training for new Collections staff that offers a firm foundation in trade finance work."

Vincent Maulella, Associate Director IIBLP, USA

Save Time and Money:

"A cost-effective way to train your staff - regardless of location - to a high standard in Collections work."

Ron Katz, Senior Policy Manager, ICC Banking Commission
